**RE: Wisconsin Public Service Corporation, PSC Docket No. 6690-DR-109**

Dear Ms. Paske:

Pursuant to Wis. Admin. Code § PSC 2.07(4), the City of Kaukauna (the “City”) writes in response to the Petition of Wisconsin Public Service Corporation for Declaratory Ruling Regarding Right to Self-Supply Station Power to Fox Energy Center, which was filed on March 5, 2014. The City supports the Company’s request for the Commission to open a docket to address the issue of whether the Company or the City has the absolute right to provide station power to the Fox Energy Center. The Fox Energy Center is now, and has always been, a retail customer of Kaukauna Utilities. The parties have been unsuccessful in their attempts to resolve their dispute between themselves, and, therefore, it is appropriate to seek the Commission’s guidance on this matter.

Accordingly, the City requests that the Commission open a docket in this matter and establish a briefing schedule. The City reserves the right to respond to the substance of the Company’s arguments once a docket has been opened.

Very truly yours,

Boardman & Clark LLP
